Chicago, IL · ewiemer30@gmail.com · ericwiemer.com

EDUCATION

Ph.D., Communication, Purdue University

September 2021

Recipient: Google Data Analytics Professional Certificate

Master of Arts, Communication, University of Illinois at Urbana-Champaign

May 2017

Bachelor of Arts, Communication, University of Illinois at Urbana-Champaign

May 2015

Magna Cum Laude

Recipient: Ruth Ann Clark Scholarship and Bonita M. Whitlock Scholarship

SKILLS

Software: Python, R, Tableau, SQL, Stata, SPSS, Looker Studio, Microsoft Office Suite

Statistical and computational methods: Machine learning in python, natural language processing in python, regression analyses, exploratory & confirmatory factor analysis, structural equation modeling, randomized controlled trials, survey analysis, network analysis, Word2Vec, topic modeling, content analysis

Communication: Data storytelling, write clearly and concisely, present complex information to large groups, conduct audience analysis for tailored communication, collaborate with research teams and stakeholders

RESEARCH EXPERIENCE

Survey Statistician, U.S. Census Bureau

August 2026 – Present

- Build analysis tools and conduct quantitative research related to the Business Trends & Outlook survey
- Prepare and present key survey analysis to internal and external stakeholders

Senior Research Specialist, Bridging Divides Initiative

November 2023 – July 2026

- Coordinated with local organizations in battleground states to provide timely resources and action-oriented analysis
- Built analysis tools and conducted quantitative research related to human behavior in the U.S.
- Constructed and analyzed survey research related to local officials and their experiences in office

Data Analyst, Citizen Data

May 2022 – October 2023

- Implemented timely, public-facing research projects and data visualizations for external clients from start to finish
- Evaluated, standardized, and documented research methodologies in collaboration with Data Scientists, improving consistency and efficiency across concurrent projects
- Developed internal documentation and communication frameworks bridging research and project management teams, ensuring methodological best practices were applied consistently across engagements

Post-Doctoral Research Associate, Purdue University

September 2021 – May 2022

- Executed publication-ready data analyses and visualizations for on-going research projects
- Mentored political science graduate students regarding research methods and effective communication of research

Graduate Researcher, Purdue University

August 2017 – August 2021

- Cultivated an independent research agenda using computational social science and natural language processing
- Produced literature reviews and full manuscripts for peer-reviewed academic journal articles

Research Consultant, Indiana University

April 2020 – September 2020

- Partnered with Indiana 211 to find and organize services related to COVID-19 in rural and underserved areas in Indiana
- Created interactive map in Python to plot COVID-19 services by address and paired service locations with service contact information

Network Analysis Researcher, University of South Florida

December 2018 – July 2019

- Conducted semantic network analyses on social media data under the supervision of Dr. Josh Scacco and Dr. Kevin Coe
- Prepared publication-ready results and data visualizations for the book *The Ubiquitous Presidency: Presidential Communication and Digital Democracy in Tumultuous Times*

Graduate Researcher, University of Illinois at Urbana-Champaign

August 2015 – July 2017

- Collaborated with research teams on survey and experimental research related to parasocial relationships and media consumption
- Presented research at national and international academic conferences

TEACHING EXPERIENCE

Instructor of Record, Purdue University

August 2017 – August 2021

- Taught classes related to statistics, research methodology, professional speaking, and mass communication
- Personally responsible for 224 students across 10 sections of 4 classes
- Evaluated oral presentations, written assignments, and examinations

Teaching Assistant, Purdue University

August 2017 – May 2021

- Facilitated the instruction and evaluation of 255 students across 9 sections of 2 classes related to computational research methods, persuasion, and professional communication
- In charge of discussion sections every week that gave students time for small group discussion and to ask questions

Teaching Assistant, University of Illinois at Urbana-Champaign

August 2015 – May 2017

- Served as Head Teaching Assistant for the Communication Department's core theory lecture course
- Facilitated 17 total discussion sections for 497 students
- Evaluated student work and examinations
